## Funds for road work

Through a combination of local and state efforts, Granite City soon will begin to see improvements in streets and in drainage.

A major project of street blacktopping is to begin in the near future with city-owned equipment.

Budgeted is about \$35,000 for each of the city's eight wards and the aldermen are surveying their wards to determine which streets are in greatest need of blacktopping this fiscal year.

Aldermen are to have their lists of blacktopping needs to the city street and alley committee within about a week so a proposal and schedule can be prepared for approval by the Granite City Council in early August.

The state will soon undertake a \$250,000 project to improve

drainage from Route 3 (formerly Route 151) to the end of Cayuga Street. Water from the highway has been causing flooding problems in that area.

City Engineer Monroe Brewer termed the announcement, "Good news," remarking, "They are giving us about one-quarter million dollars worth of drainage free."

Brewer said the state has been planning the work for four to five years. Large drainage pipes, including 30 and 36-inch pipes, will be used to facilitate the drainage.

Possible in the longer-range future are improvements to Nameoki Road to ease congestion in the shopping areas. Mayor Paul Schuler has written the Illinois Department of Transportation requesting they undertake a study of Route 203 traffic in the approximate area between Madison Avenue and Pontoon Road to determine if steps can be taken to ease congestion and backups.

Also in the planning stage is a major drainage improvement for the North Granite City and Briarcliff areas. The city council has hired Warren & Van Praag, Inc. of St. Louis to study aerial photos of the areas, at a cost of up to \$2,750.

The study of various topographical levels will assist the Granite City engineering department in designing a drainage plan for several hundred acres of North Granite City and the Briarcliff area, where higher water has posed problems during heavy storms.

## Propose new plan for cable TV here

Granite City Council has decided to investigate the possibility of cable television service being offered in the city.

In November, 1975, the council voted 9 to 1 to reject a cable television franchise offer because of a lack of background information on the firm offering the service and because the aldermen did not feel the city would receive a sufficient percentage of the revenue from the operation.

There also was a question, at that time, if the cables necessary for the operation could be put on existing utility poles, a sufficient distance from power and telephone lines, since most poles in the city are crowded with wires.

The issue was brought to light again by a letter from a rural Granite City woman, which was read at last week's Granite City Council meeting.

In the letter, the woman asked the council to consider its rejection of cable television for the city, saying residents of other nearby towns, including Collinsville, are enjoying the benefits of the cable, which offers many television stations to watch, not just St. Louis stations.

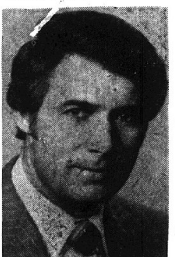

Granite City Mayor Paul Schuler said the city has not had any requests for cable television franchises in several years and he stated, "I'm for cable television."

On a motion by Alderman Lloyd Bailey, the council voted to have the city administration contact the operators of two cable television firms operating in the area and request proposals from them.

## Weather outlook for this region

Showers ending this afternoon. High today about 80. Partly cloudy tonight with low near 70. Tuesday partly cloudy and warmer. High in the upper 80s. Chance of showers Wednesday and Thursday, turning sunny on Friday. Highs in the upper 80s to low 90s and lows in the upper 60s to low 70s during the period.

## Blasingame heads UW communications unit

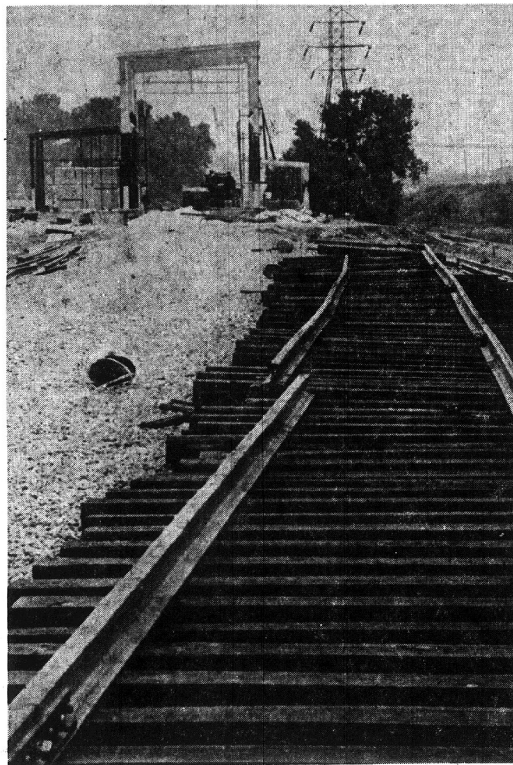

John Blasingame, immediate past Tri-Cities Area United Way campaign chairman, member of the United Way Executive and Priorities Planning Committee, and member, United Way board of directors will serve as 1978 United Way communications Chairman.

General Chairman William P. Donovan, works manager, American Steel Foundries, announced today.

A local real estate broker at Granite City Realty Co., Blasingame and his committee will co-ordinate a United Way communications program "to provide a system for effective year round educational activities with the objective of

The tracks will allow traincars to unload their grain products into a large underground hopper to be moved waiting barges in the Chain of Rocks Canal via an 800-foot conveyor system. The transfer station is to start operation in mid-September.

## Venice school fund problems worsening

The Venice Board of Education has authorized letters sent to teachers at Venice-Lincoln Technical School, asking each to accept a 23-day interim working agreement and waive his or her rights to remain employed under the current contract and accepted school code.

The action was taken by the board at a special meeting Thursday night.

Jack Tolliver, board

president, said the letters are necessary due to the possibility of the Venice School District losing its Title VII funds, which finance programs in the Venice public schools.

Some teachers at Venice-Lincoln, the adult vocational school, have less seniority in the district than others employed in Title VII programs at the public school, Supt. of Schools Robert N. Vickers explained.

Should Title VII funds be

eliminated or drastically curtailed, senior teachers in that program would be eligible to move into positions now occupied by teachers with less years of service, he said.

Venice-Lincoln Technical School starts its school year on Monday, July 31, while the public schools do not begin operations until Aug. 23.

It is the interim period between

## Ground broken in \$3.8 million GC development

Construction of 51 new homes in Granite City at a cost of approximately \$3.8 million is to get under way this week.

The new subdivision, to be known as Lueders Park Estates, 7th and 8th additions, is to be developed by Granite City Realty on the 15-acre tract of land at the present dead-end of Yale Drive.

Princeton Drive and Colgate Place will connect with the new Park Estates additions which will include paved streets, curb and guttering and sidewalks, according to Herman Schroeder, owner of Granite City Realty.

Contracting work for the project will be handled by SGB Builders which is operated by Schroeder and Otis "Bud" Gonnell.

Schroeder said the subdivision will include 14 duplex units and 37 single-family homes that will sell in a price range of \$65,000 to \$90,000.

Sales commitments already have been received for all but one of the duplex units and many of the individual homes, the developer said.

Schroeder said the development is planned to "help meet the serious need for more

housing" in Granite City and the Quad-City area.

Ground for the project was broken Friday morning in a ceremony at the end of Yale Drive where Granite City Mayor Paul Schuler, Schroeder, Gonnell and Warren Decatur, an alderman of the Fourth Ward, turned the first shovels of dirt to mark the beginning of the project. Alderman Glen Sprinkle of the Fourth Ward also attended the ceremonies. Sewerage and drainage plans have been cleared through the city engineering department, Schroeder said.

## Pay hike at Venice

A \$70 monthly across-the-board salary increase for Venice city employees has been projected in a new 1978-79 city budget of \$1,241,218, city officials reported today.

The new budget is \$127,444 less than the 1977-78 budget approved a year ago.

A special meeting of the council will be held Thursday at 7:30 p.m. to approve the appropriation bill before the statutory deadline. Municipal budgets must be approved and published by midnight July 31 under state law.

Part of the decrease is a \$50,000 entry budgeted last year for the Broadway underpass that will not be in the new budget.

The budget item for city of-

ficers has been reduced by \$8,790.

No raise is included for the mayor, city clerk and treasurer.

The mayor's expense budget is reduced by \$2,000, from \$8,400 to \$6,400; the clerk's expenses are cut \$650 from \$3,420 to \$2,770, and the treasurer's expenses were reduced the same as that of the clerk's office.

Expenses for aldermen have been reduced by \$7,300 from \$27,360 to \$20,060.

The proposed budget for city officers is now \$87,637 compared to the 1977-78 budget of \$96,427.

Other budgeted items include:

street and alleys in-

creased \$11,750, from \$158,905 to \$170,655; police department up \$2,348 from \$305,632 to \$307,980; department of law down \$160, from \$16,220 to \$15,060; insurance down \$29,500, from \$114,400 to \$84,900; sanitary and health up \$1,000, from \$12,540 to \$13,540; sewers down \$2,000, from \$24,000 to \$22,000.

City hall down \$11,505, from \$53,707 to \$42,202; audit of records up \$300, from \$1,200 to \$1,500; summer recreation down \$1,500, from \$7,500 to \$6,000; water up \$100, from \$150 to \$250; fire department down \$2,627, from \$92,036 to \$89,409.

Garbage collection down \$8,558, from \$106,558 to \$98,000; environmental down \$6,500, from \$33,000 to \$26,500; police pension fund up \$12,570, from \$74,505 to \$87,075.

Public library up \$320, from \$62,890 to \$63,210; Illinois Municipal Retirement fund down \$6,000, from \$65,000 to \$59,000; Contingent fund up \$7,500, from \$7,500 to \$15,000.

Budget items not changed include:

services for aged \$20,000; emergency services \$4,740; elections \$2,200; planning and zoning \$1,500; light and lighting \$16,000; printing \$3,000.

The itemized budget is on display in the Venice City Hall.

That's how the old saying has it. Kids have that in common with cats—CURIOSITY. Medicines, both prescribed and over-the-counter, are generally not for children. They should be kept out of reach so as not to tempt inquiring fingers. Admonitions sometimes create curiosity where none existed, so just plain out of sight and reach protects innocent lives.

### Rites held for Carl Shelton

Carl L. Shelton, 48, of 2121 Cleveland Blvd., a lifelong resident of Granite City, died at 8:35 a.m. Thursday at John Cochran Veterans Hospital, St. Louis.

He was admitted to the hospital two weeks ago and underwent open heart surgery there.

Mr. Shelton was employed three years as a guard for Pfizer, Inc., in East St. Louis. He served with the U.S. Marine Corps.

Survivors include three sons, George Shelton of Madison, James and John Shelton, both of Hartford, three daughters, Mrs. Charlene Leffingwell, Carmi, Ill., Mrs. Linda Stell, York, Neb., and Miss Lupe Shelton of Hartford; his mother, Mrs. Edna Mock of Granite City; a brother, Leslie Shelton of Granite City; and seven grandchildren.

Funeral services were held Saturday. Details are given in the obituary column.

### Police add third charge

George E. French, 43, of 2821 Edgewood Ave., was charged Friday with aggravated assault on a police officer stemming from a July 16 incident in which he allegedly used a straight razor to threaten two officers.

Police responded to a family disturbance July 16 at French's home and alleged French came out with the razor behind his back.

He allegedly displayed the razor, threatened the officers and refused to drop it. Police had to strike him with a flashlight and then a night stick before they were able to wrestle the razor from him, it was alleged.

French, who was hospitalized for a short time, was charged at that time with unlawful use of a weapon and resisting arrest. The aggravated assault charge was added Friday on a complaint from Patrolman J. W. Apperson, one of those involved in the July 16 incident.

### EOC honors Hagnauer, others

Madison County Board Chairman Nelson Hagnauer received a recognition award for outstanding contributions on behalf of the board at the annual meeting of the Economic Opportunity Commission (EOC) at Granite City Township Hall last week.

Hagnauer pioneered the sale of food stamps from local post offices in Madison County, a pattern that is now followed statewide. Under Hagnauer's leadership, the County Board was instrumental in giving EOC its start by donating free space in the County Nursing Home for the first few years of its operation, and was instrumental in its growth from a \$388,000 agency to today's operation of just under \$2 million.

EOC Executive Director Ed Schenk chaired the meeting and awarded certificates of appreciation to senior citizens, township supervisors, and other social service agencies for the "Energy Assistance Program." Under this program, during last year's winter, 3,000 families which qualified received federal assistance in paying heating fuel costs.

Other program recognitions were made to 84 "young people" over 60 in the Foster Grandparent Program. These 84 senior citizens contributed over 71,000 hours of volunteer time to children in the past year.

Officers for the 1978-79 year were installed by President Warren Mitchell. They are Jon Jackson of Highland, chairman; Robbie Silas of Venice, first vice chairman; Valada Close, Collinsville, second vice chairman; and Carl Marr of Venice, treasurer.

Mitchell received recognition for service during the past year from chairman-elect Jackson. Jackson indicated that the programs of EOC would include more services next year, and commented that "Service to humanity is the best work of life."

Harry Ring, president of the Illinois Association of Community Action Agencies, was among the guests in attendance. In other action by the new directors, an audit by the firm of Naylor and Holmeier, CPA, was authorized to conduct financial activities for the next year.

### Bartender arrested in Madison

Madison police officers alleged seeing a 17-year-old boy leave Billich's Tavern, 1244 Madison Ave., carrying a six-pack of beer and stopped the youth, who said the bartender had sold him the beer.

Officers then entered the tavern and arrested J.B. Pulley, 48, of 1539 Twentieth St., charging him with sale of liquor to a minor. He was released after posting \$100 bond.

Police said Dan Kostecki, 17, was charged with illegal possession of alcohol by a minor and was released on \$35 bond. Both are to appear in court in Granite City Aug. 28.

### Noah C. Wyldie dies at 61

Noah C. Wyldie, 61, of 1517 Market St., Madison, died at 2:30 p.m. Sunday at St. Elizabeth Hospital.

A 28-year resident of the Quad-Cities, he was born in Poplar Bluff, Mo. Mr. Wyldie retired in 1975 after 21 years employment with Laclede Steel, Madison. He was a member of the Pentecostal faith.

Survivors include his widow, Mrs. Mary Wyldie; one daughter, Mrs. Gerald (Frances) Boyles; two sons, Raymond and Thomas Wyldie, all of Granite City; a brother, Ira Wyldie, Charleston, Mo.; two sisters, Mrs. Virgie Glaze, Clyde, Texas, and Mrs. John (Marie) Hyde, Lometa, Calif.; and eight grandchildren.

Funeral arrangements are given in the obituary column.

### 'Music Under Stars' finale Tuesday night

"Music Under the Stars" choruses will present their final concert of the 1978 summer festival at 8 p.m. Tuesday in the Wilson Park rink pavilion.

The public is invited to hear the presentation. Admission is free and ample seating is provided.

The Granite City Park District sponsors the concert series each year, with grade school youngsters, high school students and adults composing the choruses.

Mrs. Mary Ann Bright, vocal music instructor at Granite City High School South, is the program director.

As in the previous concerts, the choruses will present a wide variety of sacred and secular music tomorrow evening, appealing to all ages, Mrs. Bright said.

Songs to be included are: "This Is the Day"; "By the Time I Get to Phoenix"; "I

Believe"; "Rainy Days and Mondays"; "Bali Hai"; "The Ash Grove"; "What the World Needs Now Is Love"; "Shaving Cream"; "Country Style"; "Annie's Song"; "On Top of Spaghetti"; and "Happy Days-Making Our Dreams Come True."

Also to be highlighted in the program are selections from "Saturday Night Fever" and "Grease."

**RECOVER STOLEN TRUCK**

A pickup truck which was stolen Tuesday, July 18, in St. Louis, was recovered on the parking lot of the Granite City Steel blast furnace department. Found in the truck were four key rings containing 29 keys, along with a lunch box and a bank payment book issued to a St. Louis man. Granite City detectives are investigating.

### Will appeal issue of liability in shooting

Granite City officials have been informed that the insurance company which handled the city's liability insurance during a fatal shooting incident involving police in May 1973 will ask the Illinois Supreme Court to determine if it is responsible to defend a \$100,000 lawsuit stemming from the shooting incident.

### Services held for Mrs. Robinson, 72

Funeral services were held at 1 p.m. Saturday at the Southern Baptist Church, Madison, for Mrs. Elizabeth Robinson, 72, of 1122 rear College Ave., Venice. She died Monday, July 17, at her home.

Mrs. Robinson was a former employee of the Granite City Army Installation restaurant. Survivors include her husband, John, sons, R. D. Robinson of Markham, and Claud Robinson of Madison; two daughters, Mrs. Bessie Williams, Pasadena, Calif., and Mrs. Clara Shipp of Madison; her mother, Mrs. Viola Evans; brothers Daulton, Oscar, J. G. and Walton Evans, all of New Orleans, La.; and sisters, Mrs. Emma Rigby and Mrs. Irene Williams of Chicago and Mrs. Louis Atkins and Miss Ruth Evans of New Orleans.

The \$100,000 lawsuit was filed against the city in May 1974 by Vonda L. Collins, mother and administratrix of the estate of Michael Collins, who was shot by a policeman while running near a tavern burglary.

The American Home Assurance Co., which had been carrying the city's liability insurance at the time, then sued Granite City, alleging the city had not given them the proper notice of the suit, as required by the policy.

The circuit court in July 1976, and subsequently the appellate court last April, found the city had given notice to the insurance company "as soon as practicable."

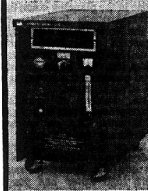

Defendants in the Collins suit are Harry Mitchell, Edward Weisenhan and David Rosenberg, all policemen.

### KIRKPATRICK BURGLARY

A couch and a chair were stolen from the apartment of Sharon Benton, 4405 Kirkpatrick Homes. It was discovered Monday. A police officer found a window pane had been removed from a door and the door was open. It was the second time recently the apartment has been broken into, police were told.

## Some object to postal contract

Some dissident postal workers, mostly in the east, condemned the new contract with the Postal Service and took part in wildcat walkouts Friday and Saturday.

The contract dispute which had threatened a nationwide postal strike, was settled in a tentative contract agreement Thursday, only hours before the midnight strike deadline.

The agreement will increase the current \$15,877 average salary paid to postal workers by 19.5 percent over the next three years, including estimated cost-of-living adjustments, according to President Emmet Andrews of the American Postal Workers Union.

Postal workers will be asked to ratify the new agreement in mail balloting that will take several weeks.

The contract provides periodic cost-of-living increases plus a 2 percent general wage increase in the first year, 3 percent in the second and 5 percent in the third.

**3 hurt as car, truck collide** Three persons were injured when the pickup truck of William Tullock, Florissant, Mo., and the car of Derek Keith, 18, of 2701 Washington Ave., collided at Nameoki Drive and Cottage Avenue at 2 a.m. Monday.

Keith and a passenger in his car, Greg Hone, 18, of 2220 E. 24th St., were taken by Granite City ambulance to St. Elizabeth Hospital where they were admitted.

Keith, who lost consciousness for a time after the accident, suffered a head injury, and although his right knee and swelling to his right ankle.

Hone, whose head struck the car's windshield, suffered head injuries.

Terry Leazer, 21, Hazelwood, Mo., a passenger in the pickup truck, suffered minor injuries, but did not seek emergency room treatment, officials said.

**Arrest two in sales of drugs** A 22-year-old Dewey Avenue man and a 19-year-old from St. Louis were arrested at 9:25 p.m. Sunday after they allegedly sold drugs to an undercover agent of the Metropolitan Enforcement Group of Southwest Illinois (MEGSI) in Victor's Tavern, 2001 Illinois Ave.

Granite City police were to apply today for felony warrants from the Madison County state's attorney's office against the two, who remained in custody this morning.

The MEGSI agent alleged the two sold him the drug Tetral, which is controlled under federal law.

**Four hurt in 3-car crash** Four persons, including three children, were injured in a three-vehicle accident at 30th and State streets at 9:30 a.m. Saturday.

Drivers were Mrs. Roseann Koelker, 31, of 525 Jefferson Ave., Venice, Gloria Kasproch, 35 Steelecrest Lane, and Gertrude Stafford, 2720 Angela Drive, who was issued a ticket for failure to yield the right-of-way.

The injured were all in Mrs. Koelker's auto. She suffered headache and injuries to her chest. James Koelker, 10, suffered a small abrasion to his left knee and a bump to his nose. Steve Koelker, 9, bumped his head and suffered pain to his neck.

All three were treated and released from St. Elizabeth Hospital. Michael Koelker, 11, suffered minor injuries, but did not receive emergency treatment, authorities said.

## 'Taxpayer rights day' Saturday

The Coalition for Political Rights has proclaimed Saturday, July 29, "Taxpayer Rights Day" as part of its petition drive to place the property tax freeze referendum on the Nov. 6 ballot in Illinois.

"Thousands of volunteers will collect signatures throughout the state to give their fellow citizens a chance to sign the petition," Patrick Quinn, Coalition head, said today.

The petition urges the legislature to "freeze property taxes in Illinois until the property tax burden on homeowners and renters is reduced by 25 percent."

**City studies sales rules** The Granite City Council has taken under advisement recommendations of the city's Joint Safety Committee, which include providing bullet-proof vests for policemen who want to wear seatbelts and riot shotguns into the cars of the police cars rather than the trunks, and improving emergency rail crossings used by emergency vehicles.

The group also is recommending that the city provide free fire and tetanus shots for employees who desire them, additional stops for street department employees who want raw sewage, and that the city pay a portion of the cost of safety shoes for employees.

Some crossing lights operate for long periods of time when no trains are nearby and weeds at the 25th Street and Nameoki Drive crossings are blurring the vision of oncoming trains, creating a hazard to emergency vehicles and the general public, the committee contends.

City Engineer Monroe Brewer reported the city's engineering department is compiling a report on rough crossings and taking pictures in an attempt to resolve the problem.

**Burglary on Missouri** A color television and a pearl necklace were stolen during a burglary at the home of Carol Homan, 2100 Missouri Ave., between 9:30 a.m. and 12:30 p.m. Friday. Entry was believed gained by climbing in an open living room window.

**Broyles** (Continued from Page 1) Mr. Broyles served during World War II.

## Church group wins solicitation issue

Members of the Holy Spirit Association for the Unification of World Christianity (followers of the Rev. Moon) are soliciting in Granite City after winning a court battle which allowed them to receive city solicitation licenses.

Association Judge William Johnson Thursday granted a motion dismissing charges against three who were arrested for soliciting in the Upper Level Lounge, 19th and State streets, March 12.

Johnson said the charges were dismissed against Sally J. West and Basil B. Gullagher,

both of Olivette, Mo., and David C. Kohn, St. Louis, because the charge was inaccurate.

Johnson explained that the three were charged only with soliciting in the city and were not charged with soliciting without a permit.

He noted members of other religious groups may solicit legally (such as within their own church), in some instances, and the charge of soliciting there was not a direct violation of the law.

The ruling opened the door for members of the religious sect to apply for city solicitation permits and five young men and one young woman had received permits Friday. More applications were expected for permits today.

City Attorney Lance Callis and Assistant City Attorneys John Papa and Irvin C. Slate Jr. began research into the matter immediately and issued an opinion that a Supreme Court ruling would prohibit the city from demanding a solicitation license and charging a \$25 fee, in this instance.

They said the solicitors must prove that the Unification Church is registered with the state as a non-profit religious organization. That proof was presented Friday before the first permits were issued.

Meanwhile, the city's legal staff is researching ways to rewrite the city's solicitation ordinance, bringing it into compliance with the new Supreme Court ruling while giving the city council control over who may solicit in the city.

## Foreign conferees tour locks, port

Delegates to the Seven Sister Cities Conference, representing cities in Europe, Africa, South America and the Far East, were hosted on a tour of the Tri-City Regional Port District and Lock 27 here Saturday afternoon.

Sister Cities is a "hands across the sea" exercise in international relations and good will.

The conference, attended by more than 500, started July 18 and concluded Saturday at the Breckinridge Pavilion Hotel in St. Louis.

The seven Sister Cities presently linked with Metropolitan St. Louis are Suva, Japan; Stuttgart, Germany; Lyon, France; Gwalior, India; Accra, Ghana; Kabul, Afghanistan; and Caracas, Venezuela.

Carl Hanft, Tri-City Regional Port District general manager, and Harry Barr, manager of Foreign Trade Zone 31, conducted the visitors on the tour through the port facilities.

U.S. Army Engineers' personnel explained the operations at Lock 27.

The visiting delegates were impressed with Lock 27, which is among the largest of its type in the world, including those on the Panama Canal.

The tour here was arranged at the request of Mayor James Conway of St. Louis, after several representatives had expressed interest in the local port facilities, it was learned.

## Health agency needs to fill committee posts

The Greater St. Louis Health Systems Agency is seeking recommendations for 16 positions on its board of directors, including three from Madison County. Elections to these posts will be held in October, at the annual meeting of the agency's General Assembly.

Florence Berkel, who chairs the agency's nominating committee, explained that applications and recommendations for candidates must be submitted no later than Aug. 25. Additionally, persons who are not already members of the agency's General Assembly but who wish to participate in the October elections must submit their applications for General Assembly membership by Aug. 25.

Membership is open to anyone 18 years of age or older who live in the Missouri Counties of St. Louis City, St. Louis, St. Charles, Jefferson and Franklin or the Illinois Counties of St. Clair, Madison, Monroe or Clinton.

Legal organizations within these nine counties also may establish "organizational membership."

Vacancies exist for the following positions:

Missouri — St. Louis City, two, consumer labor representative and consumer community representative; St. Louis County, two, provider health professional and consumer community representative; Jefferson County, two, provider health professional and consumer business and professional; St. Charles, one, consumer community representative.

Illinois — St. Clair County, three, consumer labor representative, consumer community representative and

consumer community representative.

**Arrest follows property damage**

Michale Mull, 18, of 2436 Lincoln Ave., was charged with criminal damage to property after allegedly tearing a chrome strip from a car, breaking glass in a yard light and throwing items around the yard of Albert Zigler, 2309 E. 24th St., at 3:45 a.m. Saturday.

Zigler said he and a friend arrived home and found Mull in the yard. Mull was angry and damaged Zigler's car and yard light before leaving, it was alleged.

Police stopped Mull in the 2400 block of Lincoln Avenue, arrested him and released him at 4:30 a.m. Saturday on \$35 bond.

**Destruction of property charged**

Leland Richard Clark, 18, of 208 Buxton Ave., was charged at noon Thursday with destruction of city property for allegedly damaging an unmarked Granite City Police Department car in the 3200 block of Edgewood Ave., early Wednesday.

It is alleged Clark was driving when his car struck the parked police vehicle. Clark then drove from the scene, abandoning his vehicle on Devon Hill Lane, the reports contend.

Police also alleged Clark reported his car stolen from his home in an attempt to cover-up his involvement.

**FIRE IN KITCHEN**

Overheated grease in a pan on a stove started a fire which caused an estimated \$700 damage to the apartment of Paul Dorossett, 2545 Maryville Road, last week. Kitchen cabinets were burned and there was smoke damage to the kitchen area, firefighters said.

## Battery taken; youth arrested

Michael L. Bennett, 17, St. Louis, was arrested at 2:25 a.m. Saturday and was charged with theft for allegedly removing a \$40 car battery from the auto of Nelse Province, 4010 Braden Ave., Lot 17, parked in the 1500 block of Madison Avenue.

A Granite City Steel security guard alleged seeing a youth remove the battery and leave toward Madison in a brown auto. The guard followed the car while he radioed Madison police, who stopped the vehicle at Market and State streets.

A passenger in the brown car was released without charges being filed after Bennett allegedly admitted taking the battery.

## Quell tavern disturbances

Madison police were kept busy Saturday night and early Sunday by a series of tavern disturbances.  
Officers first were called to Polish Hall, 526 Greenwood St., at 10:35 p.m. Saturday on a report of a fight. Officers found numerous persons arguing in the basement and in the rear alley, but convinced everyone to settle down and reported peace had returned when police left.  
At 10:55 p.m. Saturday, however, they were called back to Polish Hall and reported finding several groups of people fighting.  
Patrolman William Weidner attempted to break up a fight involving about five men in the rear parking lot and had to wrestle with one youth, who allegedly pulled away several times and had to be handcuffed.  
Lonnie Clark, 19, of 2914 Buxton Ave., was arrested and charged with disobeying a police officer and resisting arrest. Other Madison officers were breaking up other fighting groups and Weidner requested assistance from Granite City and Venice officers, who helped quell the disturbance.  
There were no other arrests.  
At 2:05 a.m. Sunday, two women came to the Madison police station to report they had been beaten during a disturbance at the El Capalara Lounge, 801 Jackson St., Madison, a short time earlier.  
Sharon Howell, 124 Lee Wright Homes, Venice, said a man approached her at the lounge and asked her to accompany him to visit a friend. She refused and another demanded money from her.  
The men then slapped her, knocked her down and kicked her, she alleged. Subirinda Canada, East St. Louis, a friend of Sharon Howell, attempted to break up the fight and a man told her to stay out of it, pushed her to the ground and kicked her, she alleged.

## 'Babe' steps down as Tri-City coach

By PETE HAYES  
Press-Record Sports Editor  
GRANITE CITY — Conrad "Babe" Champion said here last night that he is stepping down as head coach of Tri-City American Legion Post 113's baseball team. The veteran coach made the announcement following his team's 2-1 playoff loss to Edwardsville. However, Champion, 45, emphasized the loss had nothing to do with his decision.

"I told the boys last week after we won the title (District 22 North Division) that this would probably be my last season," said Champion. "So they've been playing knowing it all along."

CHAMPION, who has been the Tri-City head coach the past five seasons, said he will stay on as head baseball coach at Granite City High School. He will devote his summers to "working on the diamond and trying to get lights installed at the field."

"I just can't keep on getting up at 6 a.m. going to the diamond and working on it all day to get it in shape and then go home and change clothes for a ball game that night."

"I haven't had a day off since February 15 (the day high school baseball practice started)."

THE HIGHLY-SUCCESSFUL Champion compiled a total won-lost record of 114-59 over the past five Legion seasons, including a 67-36 District 22 state.

Champion also guided Tri-City to two consecutive runnerup spots in the American Legion state baseball championship tournament (in 1976 and '77). Each year, the team fell to Arlington Heights in the championship game.

Champion said he still wants to be involved with the Legion team, but not "in both capacities" — field manager and general manager. "He compared his situation to that of a major league general manager who was also the field manager."

"You just can't do both things," he said. "I just feel it's time I stepped down."

CHAMPION said he made a vow to himself when he took the job that he'd keep it about five years and that he'd also keep the field in perfect condition. "I've always liked to work on baseball diamonds," he said. "I grew up doing it."

"We used to go out to the Park every Sunday morning, work on the field and then come back that afternoon and play

an Inter-City League doubleheader.

"But I was 20 years old then, he laughed. "I'm not now."

Champion said he has nothing but good memories of his past five seasons at the helm of Tri-City. "We've been fortunate enough to have some pretty successful seasons and have some pretty talented players go through our system."

"I guess one of the things I'm proudest of," he added, "is the fact that we've had only Granite City boys on the team the entire time I've been here."

"MOST OTHER teams have gone to recruiting from several cities. We've stuck to just Granite City... and the results haven't been too bad. I guess we've got some good baseball talent in this town."

Another thing Champion mentioned as a source of pride is the name of present and former Tri-City players now coaching and umpiring in the Granite City Park District baseball program.

"It's good to see them out there working with little kids," he said. "I hope it's a chance for them to pick up on some of the strengths and weed out some of the weaknesses they've learned while playing for me."

Champion has had three sons play for him on the Tri-City team, the last one being Keith, this year's catcher. The other two were Brett, 22, and Kirk, now at Southern Illinois University at Carbondale and an assistant Tri-City coach.

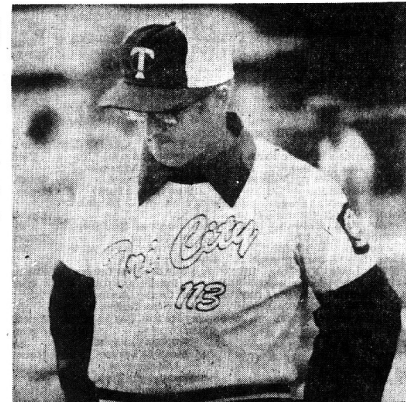

"I may have been a little rough on my boys," said Champion. "But I don't feel I treated them any differently than the other kids. If they did something good, I applauded them and if they needed cheering out, I did it... just like any of the other boys."

CHAMPION said he hoped that Granite Cityans are proud of the accomplishments of the team. "I hope they're proud of the kids... not me," he said. "It's been them who have hit the ball and made the plays, not me."

Champion said he doesn't think there is a favorite to replace his team as District champs. "I really don't. Anyone can beat anyone in this league. That's how close it is."

"Right now, all I want to do is enjoy a day."

He's earned it.

## Edville scores two in seventh to knock Tri-City from playoffs

By DOUG IRVIN  
GRANITE CITY — For Tri-City Post 113 American Legion baseball team, the season came to an unexpected and abrupt halt here last night when it dropped a 2-1 decision to Edwardsville Post 199 in the second game of the District 22 playoffs.

Last night's loss came on the heels of a suspended game-loss here yesterday afternoon, with Tri-City dropping a 7-4 decision to Highland in the opening round in 10 innings. The game had been called because of darkness Saturday with the score tied 5-5.

HIGHLAND 1, TRI-CITY 0  
The game was scoreless till the sixth inning — where both scored five runs. Two more innings were played Saturday night — both scoreless. Because of lack of light, the game was postponed until Sunday at 2:00.

Highland was still psyched-up and scored two runs in the top of the ninth.

KEITH CHAMPION led off the ninth for the local legionnaires, he tripped to right center. Randy Smith followed suit with a base hit and an RBI. Mike "Boobie" Clark sacrificed Smith to second with a bunt. Bob Stegemeier walked to put

runners on first and second. With one out, the next two batters struck out.

Prior to the second day ninth inning, Tri-City found themselves down 5-0 in the sixth inning. Champion again led off the machine, this one with a base hit. Smith and Stegemeier both got base hits to lead the bases. John Krokovich and Larry Heagy both walked to force runners in, 5-2. On a wild pitch, all runners advanced — Stegemeier scored. Danny Schaus walked to load the bases. Tom Henrich hit a sacrifice fly to right to allow Krokovich to score, 5-4. With runners on first and third, Schaus took a delayed steal — Heagy went to home. Heagy slid, catcher dropped the ball and the score was tied. A fly ball ended the inning.

"I DIDN'T THINK I did a good job of coaching against Highland," said Tri-City coach Babe Champion, who announced after the Edwardsville game that it had been his last as Tri-City's head coach. "We had the winning run at third and had the squeeze play on... everybody on the field knew about it except the runner. And that was my fault."

EDWARDSVILLE 2, TRI-CITY 1  
Tri-City took the early lead in

their second game. In the second inning, Clark singled and stole second base. Krokovich hit a RBI single which gave Tri-City a 1-0 lead until the seventh.

But it didn't stay that way as long as Tri-City would have liked it have. Edwardsville came up with two runs in a controversial seventh inning to come away with the victory.

The key play of the inning for Edwardsville came with rightfielder Greg Hill at bat with the tying run already having been scored and the go-ahead run at second base. He hit a looper down the rightfield line that apparently hit the chalk line dividing fair from foul territory. Caught off guard, Tri-City took too much time getting the ball back in and the winning run crossed the plate.

"There wasn't any doubt about it," said Champion. "The ball did hit the chalk line... you could see it make the chalk go up into the air."

"But that just proves that baseball is a game of inches... but baseball is too." BUT TRI-CITY didn't go down without a fight.

In fact, Tri-City had the tying run on base with nobody out, at second with one out, but

couldn't get it home.

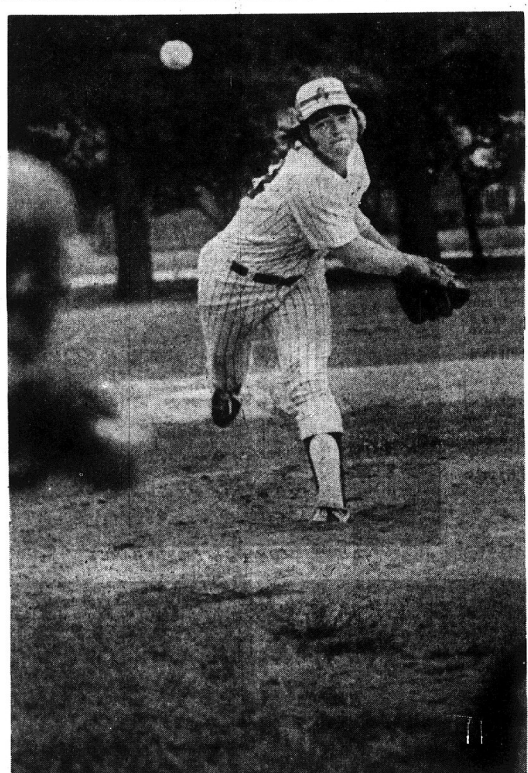

Keith Champion led off with a walk. But when Jeff Parker stepped to the plate to bunt him over to second, things didn't go quite as planned. Parker DID bunt the ball... straight in the air into first baseman Darrell Clark then came up with a base hit through the hole at short which moved Champion over to second. Designated hitter Bob Stegemeier then lofted a sacrifice fly to leftfield which sent Champion to third. After John Krokovich walked to load the bases, it was all down to one-on-one... Edwardsville pitcher Bob Jones against Jeff Tretter, who was pinch-hitting for Jim Thurmon. Tretter smacked a 2-3 fastball deep to left-center field... but not deep

enough. Edwardsville left-fielder Bob Buehler flagged it down and Tri-City had been eliminated from post-season play... in one day.

"WE JUST couldn't come up with the hits when we needed them tonight," said Champion. "But I think our guys did a great job... Edwardsville was out there playing its heart out too."

Tim Kirksey was the starting pitcher against Highland and fanned seven. He gave up four runs on five hits and four walks. Al Yount relieved Kirksey in the middle of the sixth inning. Rains finished up the game — he pitched to one batter.

Rains pitched the full seven innings against Edwardsville. He struck out seven and walked one and gave up eight hits and two runs.

JOHN LAKIN brings one home yesterday during Mercer's doubleheader sweep of East Alton in Inter-City League action at Wilson Park.

## Mercer sweeps Alton

By DOUG IRVIN  
Thomas bowed to Wood River twice yesterday in Inter-City League play, Mercer beat Highland twice and Mercer swept East Alton.

WOOD RIVER 4, THOMAS 3  
Terry Savage went all the way for Thomas on the pitching mound and gave up five hits and four runs. Alan Bechel pitched for Wood River giving up six hits. In the fourth inning for Thomas, Rick Fossic singled and Terry Savage hit a two base RBI to give Thomas their first run. Being down 4-1, Thomas scored two more in the fifth, but to no avail. Bob Pritchard led off with a double. John Pritchard singled for a RBI, then

stole second. Fossic took the second RBI with a base hit.

WOOD RIVER 2, THOMAS 1  
Thomas took the lead in the first inning, but Wood River tied it in the sixth then won it in the last. Don Rains bunted for Thomas and Ed Wallace pitched for Wood River.

Leading off the first for Thomas was a base on balls. Fossic followed with a base hit, putting two men on. Bob Pritchard singled to give Thomas the lead. Carl Butler hit a solo home run in the sixth to tie the score and Mike Pohman started off the winning run with a walk. Pohman stole second and third and went in on a sacrifice fly by Jeff Donahue.

MUSIC ROOM 5, HIGHLAND 3

Ralph Jackson, the pitcher for Music Room, battled three for three with two RBIs and possessed six strike outs and a homer in the fourth. Steve

## Paddlers edged by Gaslight club

COLLINSVILLE — The Paddlers swimming and diving team of Granite City lost a narrow 316-309 here last week. However, there were many first-place getters and several record-setters from Paddlers in the meet.

Records were set by Paddlers' swimmers in several events. Mike McCormick set a record in the eight-and-under boys 25-yard breaststroke. Denise Darrel set one in the girls' 11-12 year old 50-yard free style and 50-yard backstroke. Susie Ponce set a new mark in the 50-yard breaststroke for 11-12 year old girls and Kelly Mann set a record in the 15-17 year old boys 50-yard freestyle.

The eight-and-under boys' medley relay team of Paddlers also set a record. The team of Mike McCormick, Vince

Darnell, Collins Harlan and Chuck Sparks swam the distance in 1:37.1.

The same foursome teamed up to set a record in the freestyle relay. The new mark is 1:24.3.

First place winners in the 100-yard freestyle were Denise Darnell (11-12), Breefni Baggot (13-14), Terri Schuler (13-14), Kelly Mann (15-17), and Rosie Baggot (15-17).

Paddlers winners in the 50-yard freestyle were Brendon Baggot (9-10), Denise Darnell (11-12), and Kelly Mann (15-17).

Individual medley winners from Paddlers were John Amish and Linda Kuberski (9-10), Susie Ponce (11-12), Jerry (Continued on Page 8)

BROUGHT TO YOU BY...  
MILTON MATHEWS

Although there was some talk earlier this year that the Oakland A's might set the all-time major league baseball record for the lowest home attendance for a season in history, no big league team will probably ever again match the record set in the American League by the old St. Louis Browns in 1935. The Browns that season drew a total of only 80,922 people at home all year... Today some big league teams draw that many in one weekend.

Minor league baseball seems to be making a strong comeback. This summer there are 160 U.S. cities with minor league teams in 19 leagues—and that's the highest number of teams in 20 years.

Here's a quiz for you. Only one player in baseball history ever won the Most Valuable Player Award in the National League one year, and in the American League another year. Who's the only man to do it? Answer is Frank Robinson who was MVP in the National League in 1961, and in the American League in 1966.

## Mercers wins NBC District Tournament

EDWARDSVILLE — Mercers of Granite City came up with a 15-2 victory over Millstadt here Saturday in the second of two games in the National Baseball Congress (NBC) District Tournament being held at Southern Illinois University to take the championship and advance to next weekend's state tournament in Lockport.

Mercers lost to Millstadt 9-4 in Saturday's first game. However, Millstadt, coming out of the loser's bracket, had to win both games Saturday to take the title, leaving the way open for Mercers to grab it in the second game.

Mercers will play the winner of the Midlothian District Friday night at 9 o'clock in the first round of the four-team state tournament.

Todd Brook limited Millstadt to six hits in the second game after Jerry Deml had pitched for Mercers in the first game.

Mercers second baseman Bob Hughes was selected as the District Tourney's Most Valuable Player. In the first two games alone, he was eight-for-10 at the plate and had two RBIs. He batted .563.

Jerry Deml was picked as the center fielder and John Urban as the all-tourney third baseman.

Mercers pulled off three double plays.

## A game of inches

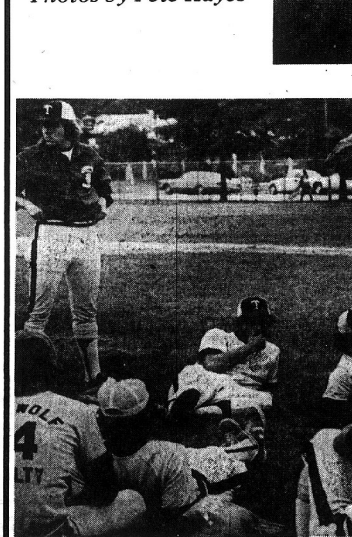

It's over. As suddenly as it began, it has ended. The baseball season for Tri-City Post 113's American Legion team ended last night at South field in Granite City with a 2-1 last-inning loss to Edwardsville in the District 22 playoffs.

For a while, it appeared as if Tri-City might be able to salvage the victory. It took a 1-0 lead in the last inning, but gave up two runs... on a couple of very close calls. A ball hit the chalk line and allowed the winning run to cross the plate for Edwardsville.

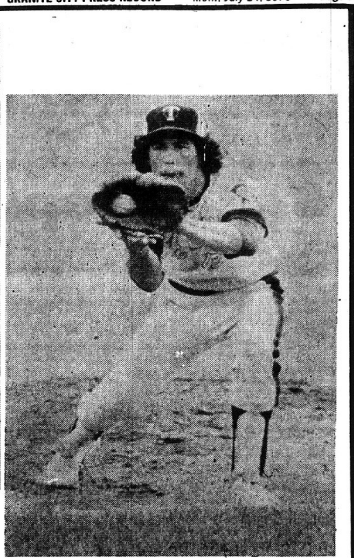

But in the bottom of the frame, Tri-City loaded the bases but couldn't push the tying run across. A bunt here, or a sacrifice fly there might have done it. But it didn't.

That is because baseball is a game of inches.

The honorees received many gifts including a trip to Hawaii.

## First birthday of Stacie Lynn Dowdy

Mr. and Mrs. Tom Dowdy, 2601 Circle Drive, entertained guests at a party in observance of the first birthday of their daughter, Stacie Lynn Dowdy, last week.

The event was held at Wilson Park and a Raggedy Ann decorated cake served as the table centerpiece.

Those attending were Mr. and Mrs. George Mathis, Mrs. Ruth Mathis, Miss Paulette Creek, Mr. and Mrs. Jerry Rainey, Mrs. Vera Rainey, Mr. and Mrs. Dennis Ratliff, Tony Townsend, Allen Dowdy, Mr. and Mrs. Richard Rainey, Mary Lynn Dowdy, Larry Christopher, and the honoree's sister, Elaine, and brothers, Jeff, Mark and Kenny Dowdy.

## Sacred Heart seniors host party meeting

The Senior Citizen Club from Sacred Heart Church held its annual covered dish dinner at Wilson Park, last week, with 28 members attending.

Serving on the planning committee were Jack Trower, Marie Perry, Irene Argelan and Grace Hennrich.

Prizes during the afternoon were won by Pete Argelan, Cecelia Loyet, Joe Michels, Marie Stank, Irma Marli, Anthony and Mary Lapinski, Jack and Dorothy Trower and Bud Strunk.

## MALCOLM THOMPSONS HOME FROM CRUISE

Mr. and Mrs. Malcolm Thompson, 4170 Breckenridge Lane, have returned home from a one week cruise in the Caribbean.

They departed from Miami for the excursion which was a summer vacation gift from their children.

## Sr. Citizens tour Canada

A group of local Senior Citizens have returned from an interesting tour through Michigan and Sault Ste. Marie, Ontario, Canada.

In Holland, Mich., they visited the Old Windmill Island, and toured the Old Dutch Village, where wooden shoes are made.

At Silver Lake, Mich. they visited the sand dunes, and rode the dune scooter buggies. Along the way they drove through acres of black cherry orchards, where they stopped to purchase fresh black cherries.

In Mackinac City, they took a ferry boat to Mackinac Island where they took a tour of the island in horse-drawn buggies. The highlight of the island was the world famous Grand Hotel, where they had lunch.

In Sault Ste. Marie, Ontario, Canada, the group took a train ride through the mountains to the town of Sault Ste. Marie, where they had breakfast and lunch on the train, then had a rest stop in beautiful Agawa Canyon Park.

A cruise was enjoyed by the group to the famous Six Locks, where the boat went through both Canadian and American locks, raising their boat 21 feet to Lake Superior level.

Returning from Canada they visited the picturesque Dufferin, Frankmunth, Mich. This town is called the "Christmas City" because they manufacture Christmas ornaments and decorations. The group enjoyed a Dutch dinner at the Bavarian Inn, famous for their food, and apple strudel.

In Deerfield, Mich. they toured the historic Deerfield Village, and in Ann Arbor, Mich. a farewell dinner was enjoyed in Bill Knapp's Restaurant on the last mile of the tour.

Those taking the tour were, Dorothy, Bridget, Marion Rogers, Irene Kadane, Evelyn Blattner, Mary Venarsky, Frances Vivod, Catherine Fries, Alice Krasner, Lilian Ruebroun, Timathes Waller, Kate Smith.

Catherine Hinchley, Frances Fienkies, Clava Taylor, Barbara Dudak, Ann Wallis, Margaret Krusek, Ann Riddle, Alice Westerman, Mr. and Mrs. Lowell Law, Mr. and Mrs. Joel Pierce, Mr. and Mrs. Harry Jackson.

The bus driver was Jack Maddox, tour escort, Jane Knapp, and tour co-ordinator, Mrs. Dorothy Bridget.

## COUPLE ANNOUNCES BIRTH OF 4TH CHILD

Courtney Janelle is the name selected by Mr. and Mrs. Monty Doctor of Collinsville, for their first child, a girl, born on July 18, at Barnes Hospital, St. Louis.

She weighed seven pounds, 13 ounces.

The mother is the former Pamela Peters, a daughter of Mr. and Mrs. Carl Peters of Granite City. The paternal grandparents, Mr. and Mrs. Ernest Docter, reside in Collinsville.

SANDRA EDWARDS IS HOSPITALIZED

Sandra Edwards, 13-year-old daughter of Mr. and Mrs. Cliff Edwards, 2916 Sunset Drive, is a patient at St. Elizabeth Hospital in Room 401.

She was treated in the emergency room last week and admitted for observation of a possible fractured jaw and possible concussion, due to an injury sustained at a swimming party.

## Wedding Plans

Engagement and wedding information questionnaires are available at the Press-Record office, 1815 Delmar Ave., and will be mailed upon request. Wedding forms are to be completed and returned to the society department two weeks prior to the wedding.

Bride's photo should accompany information but the story will be held for photo if available within a reasonable time after the wedding. Note-black and white photos are preferred for publication.

# Fund-raising projects aid SE Hospital

Several departments of St. Elizabeth Hospital have held fund-raising projects to aid in the building expansion project as well as purchasing patient education equipment. At right... Volunteer candy strippers are busy washing cars to help pay for extracurricular activities at the hospital. The candy strippers also held sundae and cake sales. Below right... Personnel of the dietary food services sold T-shirts decorated with a hospital logo with profits going to the building fund. From left, Candy Bain, Dixie Farris, Tillie Martinez and Hospital President Sister Mary Thomas pose with one of the shirts. Below... ## CYS funding of \$5,000 ok'd by Madison school board

The Madison Board of Education authorized payment of \$5,000 to assist in funding the Madison-Venice satellite program of the Co-Ordinated Youth Services.

The satellite CYS program operated from 400 Madison Ave., Madison, was described by one board member as a real asset to the schools and communities of both Venice and

Madison.

Harold E. Briggs, regional superintendent of schools, Madison County wrote that his office had approved an extension of time for a multiple shift schedule at the Madison Junior High school and has forwarded the request with a copy of Briggs' approval to the School Approval Section in Springfield.

The board approved an 8.9 percent increase for transportation in the Madison School District for the 1978-79 year by the R. W. Harmon and Sons Inc., as part of a three-year basing contract.

A contract was awarded to L. Wolf Co., low bidder at \$26,500 for the construction of a stairwell addition to the Madison High School band

room. E. L. Rule Company bid \$29,750.

A special closed meeting to interview applicants for the position of Madison High School principal was called by Board President Sam Dymas for Tuesday 7:30 p.m. in the board office.

Miss Susan Dvoark, Edwardville, was hired as the early childhood teacher; Miss

Georgianne Luffy, St. Louis, was hired to teach trainable mentally handicapped (TMEH), and Miss Suzanne Keppel, St. Louis, was hired as a speech correctionist.

In other action, Mike Garland was transferred from Dunbar elementary school to the junior high school as physical education teacher.

It was announced that Danny

Jones had resigned as a custodian at Madison High School and has accepted a position as a dispatcher with the Madison County Sheriff's department.

"In the future I would like Eldon Rhoads, our maintenance supervisor, to make recommendations and have a say in future hiring of custodians," President Dymas said.

A discussion was held of plans by the Madison County Economic Opportunity Commission to operate a full year seed-start program in the Dunbar school annex.

The administration was instructed by the board to clarify several items in the EOC proposal before the board will authorize the program.

Items in question included the amount of space actually needed by the program, adequate insurance, and use of labile chairs and other property.

It was reported that no reply had been received by Madison Mayor Mike Sasyk or members of the Madison City Council from a letter written by John T. Papa, school attorney, concerning the use of the Junior High School property for parking during city recreation department softball games.

Several board members have indicated concern over the liability the school district incurs for the softball teams parking and driving on school property.

## Area boys to attend national camporama

Twelve boys and four leaders of the Royal Rangers Outpost 73 at Tri-City Park Tabernacle Church will attend the National Royal Rangers Camporama Tuesday, July 25, to July 29, at Idaho's Farragut State Park.

The youths will join some 2,000 other Rangers from across the nation for the event, sponsored every four years by Royal Rangers, the boys outdoor adventure program of the Assemblies of God Churches.

Attending from Tri-City Park Tabernacle, Clark Avenue and Maryville Road, are leaders, Sam Grace, Illinois District FCF (Frontier Camp Fraternity) president and coordinator of the trip, Jerry Meyenburg, Metro South FCF co-ordinator and supply coordinator of the trip, Jerry Freeman, senior commander of the local group, and Walt Jordan, lieutenant commander and council board member.

Boys attending are Tim Black, Paul Borer, Jeff Chase, Tim Free, Donald Hammond, Scott Heatherly, Joe Marlette, Danny Maue, John Maue, Steve Nolan, Raymond Stewart and Keith Wilson.

According to Johnnie Barnes, national commander and camporama director, the purpose of the outing is "to give boys specialized instructions, good clean fun, and spiritual inspiration."

Special events include: archery, swimming, canoeing, black powder shooting, handicrafts and test of physical fitness and camping skills.

Speakers for general assemblies are Denny Duran, college football coach and former athlete, and John McPherson, Cherokee Indian evangelist. Charles Wright, chief justice of the Washington State Supreme Court, will address opening ceremonies.

The Royal Ranger program involves 150,000 boys in the United States, and there are outposts in over 30 foreign countries.

In addition to the camporamas and annual Pow-Wows for boys, the national office sponsors eight regional training camps each year for outpost leaders.

It also conducts five national training trails to train men in backpacking and wilderness living. An annual canoe expedition trains men in water activities.

Barnes says the program combines outdoor training with spiritual guidance. "The emphasis is on the development of the total boy. We are interested not just in his community involvement, but also in his personal development as a man and as a Christian."

## Youth craft day at branch library

## \$1,290 purse guaranteed to Trailriders' winners

The annual "Money Show" of the Trailriders Saddle Club of Granite City will offer contestants a guaranteed purse of \$1,290, club officials have announced.

The show will take place at 6:30 p.m. Saturday, at the Trailriders Arena on Chouteau Slough Road at Rock Road, near the Chain of Rocks Canal levee.

In the event of rain, the "Money Show" will be postponed until 6:30 p.m. Saturday, Aug. 5, Kathy Bargiel, club secretary announced today.

Two new classes of competition have been added to this season's "Money Show," she reported. The events are ladies gaited country pleasure and open trail class.

The public is invited to view the contests. A \$1 admission fee will be charged for this specific show, Miss Bargiel said. Children under 12 will be admitted free.

A Winner's Choice gift, a saddle or \$100, will be available to those attending the show, she also announced.

Five competing riders achieved double victories in the "Point Show" held last week at the arena grounds.

Pam Pilkington riding Susie B. took top honors in the senior barrels and senior plug races; Cynthia Meier won two first place awards showing Flash Bac in the halting class for

stallions and mounted on the same horse in ladies western pleasure.

Janetta Bowman on Charlie won blue ribbons in pony poles and pony barrels; and Eric Pritchard achieved top marks riding Trademarks Ginger in gaited country pleasure and fox trotting events.

Other first place winners in last week's show, included: Kathy Neuner of Tuff Grande, junior bareback pleasure; Mike Bowman on Little Buddy, junior poles; Lorraine Moore on Rebel, senior poles; Dianna Weldon on Smoky, pony pleasure; Shelle Hartzel on Jet Bar Jewel, junior western pleasure.

Kathy Smith on King's Lee Bar, open trail class; Jeanna Weldon on Fort Cody, junior barrels; Pat Fuller on Calhoun Royal, men's western pleasure; Kim Schneidewind on Tennessee Duck, ladies gaited country pleasure; and Sandy Whaley on Social Bee Good, open western pleasure.

Haltering class: Sonny Dalton showing Sugar 'N Peaches, geldings, and Patricia Bryarly showing Ima Tuff Wampy, mares.

## Sgt.-Major Roman Chomskis gets Army command post

The new command sergeant-major of the Troop Support and Aviation Materiel Readiness Command is Roman L. Chomskis, a resident of Granite City. He joined the Command, which has its headquarters at St. Louis from Neillingen, Germany, where he was command sergeant-major of the Second Support Command (Corps), from November 1976 to May 1979.

Command Sergeant-Major Chomskis was born Feb. 25, 1937, in Klaipeda, Lithuania, bordering Poland, Estonia and Latvia. His life has not been an easy one. At times, it was a living hell.

He and his family lived in horror under the tyranny of Nazi occupation. His father died in a Nazi concentration camp. His mother carries the scars from the many whippings she received. The sergeant-major spent the majority of his youth in a displaced persons camp in Augsburg, Germany.

"It was pretty rough," is the way he describes it, "although there were some good experiences to go along with the bad." Among the better things, he said, was the opportunity to meet different nationalities of people. As a result of living with these people, CSM Chomskis speaks Russian, Polish, German and his native tongue, Lithuanian.

The sergeant-major, his mother and sister, immigrated to the United States and settled in Lansing, Mich. He has been quoted as saying, "My lucky day came when the United States Government let me leave a displaced persons camp and enter its country." That day was Dec. 22, 1961.

CSM Chomskis was graduated from St. Mary's High School in Lansing, Mich. He attended the University of Utah, and is a 1974 graduate of the University of Bangor, Maine, where he attained his master's

### SEARGENT-MAJOR ROMAN CHOMSKI

degree in business administration.

His Army service began in 1955 when he was drafted. Two years later he signed up for more, the beginning of what was to become a career in the United States Army.

CSM Chomskis served four tours of duty in the Republic of Vietnam, from June 1966-71, as first sergeant and battalion sergeant-major of the First Aviation Brigade.

His many military awards and decorations include the Bronze Star Medal (Pork Leaf Cluster), Army Commendation Medal (Second OLC), Expert Infantryman Badge, Good Conduct Medal (sixth award), Air Medal with "V" Device for Valor, and Senior Aircraft Crewman Badge.

CSM Chomskis and his wife, Mary, have two children, Lisa, 11 years old, and Erick, 5. The family lives in quarters at the St. Louis Area Support Center, Bldg. 31, Apt. 3, Granite City. His mother, Mrs. Elena Chomskis, lives in Toronto, Ont., Canada.

## A. O. Smith profits, sales set record

A. O. Smith Corp. had record sales and profits in the second quarter and first six months of 1978. It was announced last week by L. B. Smith, chairman and chief executive officer.

The Automotive and Electric Motor divisions, and A. O. Smith Harvesting Products, Inc., a subsidiary, all reported strong increases in profits compared with the same periods last year.

Profits at the Consumer Products division, a manufacturer of water heating equipment, were below a year ago because of a three-week strike at the division's Kankakee plant in June.

For the second quarter, the company had sales of \$225,877,000 and profits of \$9,954,000 or \$2.03 per share, up 44 percent over the second quarter of 1977 when profits were \$6,918,000 or \$1.41 per share, on sales of \$207,594,000.

In the first six months of 1978 profits were up 36 percent from a year ago. Sales in the period were \$416,106,000 with profits of \$15,882,000, or \$3.24 per share, compared with 1977 sales of \$389,472,000 and profits of \$11,652,000, of \$2.38 per share.

Margins were also up in 1978, Smith said, primarily because of improvement in manufacturing operations. Profit as a percent of sales in the second quarter of 1978 was 4.4 percent compared with 3.3 percent in 1977. For the six months, profit as a percent of sales amounted to 3.3 percent compared with 3.0 percent in the first half of last year.

"We are very pleased with the progress that has been made toward reaching our profitability objectives," Smith said.

Dollar sales in the Automotive division were slightly behind a year ago for the six months but ahead in the second quarter. All other major operating units had higher sales for both the second quarter and six months compared with 1977. A. O. Smith Harvesting showed the best rate of gain as livestock farmers, encouraged by the demand for beef and dairy products, were more willing to invest in capital improvements.

## Mary Burns is shower honoree

Blue and white appointments, hearts created of net and large wedding bells were used among the decorations at a bridal shower, complimenting Mary Burns and given last week at Burns Cafeteria.

Miss Burns will become the bride of Nick Dochwat on Sept. 2 at St. Joseph Catholic Church. White satin draped the gift table, canopied by a blue parasol.

The honoree presented her mother, Mrs. Donald (Gerry) Burns and her future mother-in-law, Mrs. Pete (Adele) Dochwat, with corsages of blue carnations and baby's breath, with white ribbons.

Identical corsages were worn by Miss Burns and members of her bridal party, Mrs. Lynn Canada, Miss Melanie Rees and Miss Jeanne Grimes, and the guest book attendant, Miss Jo Ann Avedisian.

The attendants assisted the honoree in opening her gifts.

A buffet luncheon was served and prizes were awarded to many of those attending the party.

## Granite City Unit installs officers

Mrs. Stanley Owca was installed as president of the Granite City Unit, Madison County Homemakers Extension Association at a meeting held last week at the Grand Cafe, followed by a salad luncheon.

Other officers to serve for the ensuing year and installed by Mrs. Frank Pare included: Mrs. August Beckman, first vice-chairman, Mrs. Wendell McIlroy, second vice-chairman, Mrs. Clifton Blankenship, secretary, Mrs. Marshall McIlroy, treasurer.

Mrs. Pare presented the new officers with a corsage of miniature satin rose buds in various colors, signifying their respective offices.

The major lesson "Understanding Allergies" was given by Mrs. McIlroy and Mrs. Owca.

Those present were Freddy McIlroy, Marie Johnson, Martha Taylor, Helen Fraas, Louise Johnson, Bernice Johannsmeyer, Alma Beckman, Mrs. Zikovich, Mary Blankenship, Anne Pare, Toni Lynch, Bessie Grasse, Madge Ramsey, Florence Simpson, Martha McIlroy, Elizabeth Schmidt, Hazel Cline, LaNell Lesage, Anna Michels and Helen Oberlin.

## Granite 650 fetes Mrs. Harbig

Granite Chapter 650, Order of the Eastern Star, initiated three new members during a weekend meeting held at the Masonic Temple with Dorothy Watkins, worthy matron and Bill Watkins, worthy patron, presiding.

New members enrolled were Mrs. Sharon Cautery, Mrs. JoAnn New and Leslie New.

Those escorted and introduced included grand lecturers, Hazel Wood, Arline Fox, Mary Bilbrey, and Betty McClintock, members of grand chapter committees and past matrons and past patrons.

Mrs. Watkins announced the chapter received a letter from the worthy grand matron, Patricia of Illinois, extending appreciation to the local organization during the official visit.

All members sang "happy birthday" to Mrs. Clara Harbig who celebrated her 91st birthday.

## Vickie Mertz heads Art Guild

The Granite City Art Guild, a newly organized club elected officers at a meeting conducted at Central Christian Church, last week.

Those selected to serve for the ensuing year are Vickie Mertz, president, Sharon Bogosian, vice-president, Nina Limbaugh, recording secretary, Jane Yates, corresponding secretary, and Nellie Dierker, treasurer.

## DAV chapter donates funds

Quad-City Chapter 53, Disabled American Veterans, convened last week at the DAV Hall with Commander Bob Kennerly presiding.

Plans were finalized to hold their annual forget-me-not sale from Sept. 11 through Sept. 16, in the Quad-City area.

Members agreed to a \$500 scholarship for a student nurse to be used for the first semester at college. Her name will be announced later, it was noted.

They also authorized an additional \$500 to three organizations.

Canteen books for veterans from this area now in veteran hospitals will be provided, it was reported.

During the meeting, the members also approved a proposal to finance the Ladies Auxiliary trip on July 30 to Jefferson Barracks Hospital, where they will entertain the veterans there.

Commander Kennerly announced the local chapter received an award from the national headquarters for surpassing the 1978 membership quota.

## Shower honors Mrs. Staggs

A cradle shower was given last week for Mrs. Rosie Staggs in her home, 2729 Iowa St., by Janet Johnson, a sister, and Sharon Green, Peggy Gostly, Paula Werner, Vicki Harper and Patti Gibson, the latter is a sister-in-law.

Refreshments of cake, coffee and punch was served by the hostesses who used a pink and blue color scheme and Teddy Bear centerpieces.

Games were played during the afternoon and prizes awarded.

Guests attending were Barbara Jackson, Lois Bright and daughter Tina, Mrs. Jean Milton and daughter, Debbie, Donna Kalgren, Mrs. C. M. O'Connor, Elvera Stagner, Gladys Ray, Allene Armond and granddaughter, Stephanie, Mrs. Pauline Squires, Mrs. Davison and son, Corby, Sandra Wells, Hazel Staggs, Betty Poeling, Ada Tapscott, Mabel Wiggins, and Jewel Duncan.

## 'Women Involved' at South High Sept. 16

A comprehensive program of topical subjects directed at women employed in business and the professions, women working at home and senior high and college students will be offered Saturday, Sept. 16, at Granite City High School South Cafeteria.

Participation in "Women Involved" is open to all areas women, regardless of employment status, Mrs. Lola Wetton, president of the Granite City Business and Professional Women's Club, said.

The local BPC club is sponsoring the program as part of a national awareness project to alert all women to new opportunities available today.

Preparations are virtually complete for the extensive day-long program, and speakers have been contacted to lead various workshops, Ruth Belleville, project chairman, announced.

A presentation by a widely-acclaimed leader on how to achieve an assertive behavior pattern, as opposed to an aggressive attitude, will highlight the morning session.

This segment is applicable to the homemaker and equally to women in the business world, Mrs. Belleville said.

A buffet luncheon and fashion show are planned at the noon hour.

Afternoon workshops will cover a variety of subjects of interest to women of all age levels and life styles, the chairman stated.

Workshops, so far arranged, focus upon such topics as:

- Career development and advancement;
- Parent Effectiveness Training;
- Managerial Women; interview techniques;
- preparation of a resume; and career opportunities now open to women, among others.

Women who may wish to show and display booths open between 11:45 a.m. and 1:30 p.m.

## July meeting of Happy Group Club

The monthly meeting of the Happy Group Senior Citizen Club was held Thursday at the Granite City Township Hall and attended by 31 members.

President Alycia Seipel opened the meeting and the Lord's Prayer and pledge of allegiance was repeated in unison by the group.

A floral arrangement was won by Mayme Lane and the afternoon prize went to Velma Green.

Tentative plans were made by the club members to visit the Amish settlement in Arcola, Ill., in September.

After the business discussion refreshments were served.

Some things you need to know about the use of natural gas

**Illinois Commerce Commission**  
limits use of natural gas

The Illinois Commerce Commission has issued General Order 202 declaring certain uses of natural gas non-essential. The order's intent is that natural gas should not be used for the following non-essential uses:

- Decorative lighting or flares.
- Gas lighting (except street lighting systems).
- Heated or cooled air doors.
- Swimming pool heaters.
- Outdoor heaters and patio heaters (human comfort, non-work areas).
- Direct heating of public, semi-public or apartment complex garages used for non-essential vehicles.

On October 15, 1977, new attachment of the above types of gas burning equipment was forbidden. Usage of gas for lighting (except street lighting systems), decorative lighting and flares and gas heated and cooled air doors should be phased out within a reasonable period of time.

Let's conserve energy now, so there will be enough for the future.

## Income guidelines set in child nutrition programs

The U.S. Department of Agriculture (USDA) has increased by 5.56 percent the family income guidelines for determining the eligibility of children to participate in Child Nutrition Programs.

The new rules allow a participating family of four to earn up to \$6,490—\$400 more than under the previous guideline.

"Each year, we adjust the income guidelines for these programs to reflect changes in the cost of living," said Assistant Secretary of Agriculture Carol Tucker Foreman. "The new income guidelines, effective July 1, through June 30, 1979, reflect the increase in the Consumer Price Index from April 1977 through April 1978."

Based on the national income guidelines, each state issues rules which schools and institutions use for determining if children are eligible for free or reduced price meals or free milk.

States are required to set the eligibility level for reduced price meals at 96 percent above the national income guidelines. When establishing eligibility at up to 25 percent above the national guidelines.

The guidelines take into account both family size and income before deductions for income taxes, insurance premiums, bonds, etc. When using the guidelines, schools and institutions may consider both the family's income during the past 12 months or the family's current rate of income to determine which is the better indicator of their need to participate in Child Food Programs.

When evaluating a family's income level, local administrators may also allow for hardship situations such as unusually high medical expenses, housing costs which exceed 30 percent of income, special education expenses due to a child's physical or mental condition, and disaster or casualty losses.

Children whose parents become unemployed shall be eligible for free or reduced price meals or free milk during the period of unemployment if the income loss causes the family income to fall within the local school or institution's income eligibility criteria.

Income guidelines are as follows:

Family of one, \$3,350, increased by 25 percent \$4,190, and increased by 96 percent \$6,530; family of two, \$4,400, increased by 25 percent \$5,500 and \$5,500; three, \$5,450, increased by 25 percent \$6,810 and \$6,810; four, \$6,490, increased by 25 percent \$8,110 and \$8,110; five, \$7,450, increased by 25 percent \$9,310 and \$9,310; six, \$8,410, increased by 25 percent \$10,510 and \$10,510; seven, \$9,280, increased by 25 percent \$11,600 and \$11,600; eight, \$10,150, increased by 25 percent \$12,690 and \$12,690; nine, \$10,940, increased by 25 percent \$13,680 and \$13,680; ten, \$11,730, increased by 25 percent \$14,660 and \$14,660; eleven, \$12,510, increased by 25 percent \$15,640 and \$15,640; twelve, \$13,290, increased by 25 percent \$16,610 and \$16,610. For each additional family member, \$780, \$970 and \$1,320.

### End season at Camp Sunnen

Although this is the last week of the regular 1978 summer camping season at Boy Scout Camp Sunnen, the woods will continue to have Scouts and leaders on weekend camping trips and special events.

Scouts attending the final week of the camp's 25th anniversary season from the Granite City area are:

Troop 20, Bob Shane and David Nicol, leaders; Scouts, Tony Sutherland, Richard Deal, Frank Schwertman, Cliff Hamilton, Richard Bradford, Tommy Layloff, Don Huchwood, Steve Omahundro, Michael Omahundro, Mark Omahundro, Phillip Kyle, Lee Johannpeter, James Eiler, Shannon Beavins.

Troop 35, Glen Thornburg, leader; Scouts, Jim Bradley, Derek Robertson, Rich Rash, David Sheikh, Doug Thornburg, John Menendez, Jeff Welborn.

## GC man is shot, brother beaten in E. St. Louis

Two brothers from Granite City were involved in a disturbance in East St. Louis last week, during which one was shot in the groin and the other was struck on the head, East St. Louis police reported.

Darryl Teller, 28, is recuperating from a gunshot wound and Steven Teller, 30, suffered a head injury when he was struck with a stick. Both were recuperating at St. Mary's Hospital in East St. Louis.

Willie D. Davis, 35, East St. Louis, has been charged with unlawful use of a weapon in connection with the incident.

Detectives said the case is under investigation, but witnesses said a brick was thrown through the windshield of Davis' auto, nearly striking his wife, Barbara, who was inside the car.

Davis then came out of a radiator shop where the car was parked and fired four shots, then used a stick to strike Steven Teller, police alleged.

Officers alleged the Teller brothers and a companion struggled with officers as police were attempting to get the injured men into an ambulance.

Dennis Kent, 27, of Glen Carbon, was admitted to St. Elizabeth Hospital last week as the result of an auto accident when he allegedly lost control of his auto and struck two parked cars in the 3800 block of Lake Drive, Pontoon Beach.

Police said they found Kent sitting on the ground.

Police reported that when a friend of Kent, Miss Debora Hayden, 23, of Lot 222, 3801 Lake Drive, arrived at the scene, Kent allegedly started choking Miss Hayden and threatened to kill her if police arrested him.

Forced to be used by police to place Kent in the squad car where he kicked out a window, Miss Hayden allegedly tried to interfere with his arrest.

Kent was charged with reckless driving, driving with a revoked license, criminal damage to property, aggravated assault and resisting a peace officer. His bond was set at \$4,000.

Miss Hayden was taken to Madison County Jail, charged with resisting a police officer and obstructing a police officer. Her bond was set at \$2,000.

## Venice city officers reappointed

Venice Mayor William  
Ebersold appointed Bernadette  
Barrett and Carol McGee to  
three-terms on the Venice  
library board during last week's  
city council meeting. It is their  
first three-year term.

The mayor also reappointed  
the following city officers for  
one year terms:

Community Development  
Committee, John Williams,  
Barbara Madison, Fred Rumpf,  
Morris Scott, Izola Robinson,  
John Lee.

Librarian, Sybil Robb; chief  
of police, Ralph Brawley;  
assistant chief of police,  
Raymond Mikolajczuk; com-  
ptroller, Carl E. Byrnes;  
superintendent of streets,  
Thomas Scaturro; assistant  
superintendent of streets,  
Clarence Breda.

Fire chief, William Meehan;  
assistant fire chief, Willie  
Dumas; fire truck driver,  
Thomas Britt; humane officer,  
Joseph Meehan; building  
custodian, George Green; radio  
engineer, William P. Guen-  
new; office of emergency,  
Benjamin Honorable; building  
examination to be given by the  
man of Alfred Crawford; police  
pension board, William Dumas.

Police commissioners, Tim  
Bennett, Earnest Davenport,  
Eddie Johnson.

Boiler inspectors, William  
McGarra, Jack Tolliver,  
Rodrick L. Beck.

City representative to mental  
health board, Carl Marr.

## Clerk-carrier examinations

A total of 342 persons have  
applied to take the clerk-carrier  
examination to be given by the  
Postal Service July 27 and 28,  
postmasters of the Quad-City  
area reported today.

Postmaster Herbert Backs of  
Granite City said 236 persons  
have applied here, while  
William Singleton, Venice  
postmaster, reported 90 ap-  
plicants and Postmaster  
William Clinton of Madison said  
he has received 66 applications.

The Quad-City postmasters  
said the eligibility list for clerk-  
carriers posts has not been  
replenished since September  
1975.

"We think the good response  
indicates local residents con-  
sider Postal Service jobs at-  
tractive. We think our pay,  
fringe benefits, economic  
security and ability to advance  
on merit are major reasons for  
the large number of ap-  
plicants," the postmaster said.

The postmaster said massive  
postal job openings could not be  
expected in the Quad-Cities in  
the coming months, but  
estimated about 16 vacancies  
will occur in the next two years.

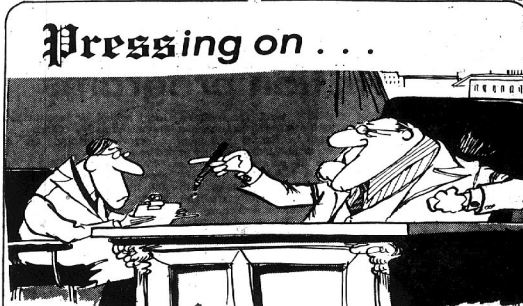

"Those vacancies will be  
filled by offering jobs to those  
who do well on the exams and  
are placed on our up-dated  
register," they noted.

The postmaster said an  
examination of the present job  
register showed many names of  
people who have moved or for  
one reason or another are no  
longer available to accept  
postal jobs.

The Granite City exam will be  
given at North High School on  
July 27. The Venice and  
Madison exam will be given in  
East St. Louis on July 28.

**BURGLARY AND ARSON**  
Christopher Anderson, 1715  
Collinsville Ave., Madison,  
returned home at 12:45 p.m.  
Wednesday and saw smoke  
coming out of the right front  
window. Madison firemen and  
fire were called. Thieves had  
taken several pieces of fur-  
niture and a television. Firemen  
found three different fires had  
been set in the house. A damage  
and loss estimate have not been  
made.

**BURGLARY ON MANLEY**  
A portable television and a  
scanner radio were stolen  
during a burglary at the home  
of James Berniax, 2100 Manley  
Ave., it was discovered at 4:55  
p.m. Wednesday. A window in a  
door was broken and the door  
was left slightly open.

## Foe's backhand — target of serve

The strategy of the serve is  
to start the point, not finish it.  
Agreed?

If so, then take a little of the  
mustard off the serve as you  
can get more in.

You never double fault?  
OK, then apply this rule to  
your first serve as well. (It  
seems that many players  
interpret "changing the pace  
of the serve" as meaning to  
hit the first one hard and the  
second one easy.)

The only difference  
between the first and second  
serve should be spin; the  
second one should have more  
of it.

I realize that an occasional  
ace is great for the ego — that  
sometimes it's the only  
salvation in a losing effort  
against a better player. But  
you'll be more pleased with  
your progress if you resist the  
temptation by concentrating  
instead on placement.

Learning how to direct the  
ball is possible if you slow  
your serve down enough so  
you can control it. You'll find

that the sense of  
accomplishment you get  
from directing the serve will  
outweigh that from hitting an  
occasional ace.

To make this discovery,  
start by being more specific.  
Instead of aiming at the  
entire service square, pick a  
spot within it.

The first target you should  
master in the backhand  
corner of the deuce court.  
People are generally less  
confident with the backhand,  
especially when the ball lands  
deep in the court.

The ideal learning situation  
involves taking a basket of  
balls out and experimenting  
with your accuracy. If you're  
an inexperienced player or  
an experienced player with  
an inexperienced serve, first  
stand at the service line and  
hit serves down the middle of  
the court to the backhand  
corner. Slow your serve down  
until you are consistently  
consistent.

Pick ten up and serve the  
next basket from non-man's

land; same target, same  
speed.

Pick ten up again and now  
serve from the backhand.

To remind yourself of your  
objective, every time you hit  
the ball in the net, walk up  
and get it. After a few trips  
you'll get the message: Aim  
higher.

This will help you learn how  
to concentrate. Your  
objective is to hit the ball  
deep to the backhand. A short  
serve is inconsistent with  
your strategy.

If you miss, miss long or  
wide, but not short.

**Stolen car, chased  
by owner, wrecked**

Martin Reeves, 2412 Delmar  
Ave., left the motor of his car  
running while he went into the  
Jack-in-the-Box Restaurant,  
3330 Nameoki Road, Thursday  
and when he looked out a  
window, he saw the car being  
driven from the parking lot.  
Reeves got into a car with a  
friend and chased the vehicle  
south on Madison Avenue to  
Nameoki Road, where the  
stolen car went into the median

# GC to employ grants director

Granite City will soon have three new employees—one to permanently monitor the budget and request for federal grants, and two on a temporary basis—the Granite City Council has decided.

The council agreed to create a post for a grant and budget director, which will pay \$15,000 per year and will be funded for the 1978-79 fiscal year from federal revenue sharing funds.

His job will be to monitor federal grant programs and apply for as many grants as possible for the city. He also will assist the city administration in preparing and monitoring the budget and spending.

The city is seeking an applicant with a master's degree in city planning and three to five years of experience in the general field. "If he gets us two grants in one year, he will pay his salary," Alderman Paul

Ray Bowler, chairman of the finance committee, commented.

The city also agreed to hire Roy McGee of Granite City, an experienced personnel consultant, to conduct a job classification study for city hall non-union employees and set new salary ranges.

McGee, who conducted a similar study for St. Clair County, requested \$20 per hour and estimated the study would take about 150 hours for a total of about \$3,000.

The council also voted to hire someone trained as an Emergency Medical Technician (EMT) to help fill a temporary shortage in the city's ambulance division through mid-September.

One EMT is recuperating from a broken wrist and six others are in the process of being trained as paramedics.

RAYE BIRK

## Raye Birk to direct SIUE theater classic

Raye Birk, currently in residence at the American Conservatory Theater in San Francisco, will direct the comedy classic, "You Can't Take It With You," a student production at Southern Illinois University at Edwardsville scheduled Aug. 10-13.

While on campus, Birk is conducting a workshop on the art of comedy. The purpose of the workshop is to allow actors and actresses to develop an approach to the problem of acting comedy.

Working with the American Conservatory Theater acting company for five seasons, Birk has played many roles, including that of Martin Dyrast in "Equus," Henry Carr in "Travesties," Gormio in "Taming of the Shrew," and Cassius in "Julius Caesar."

The director studied at Northwestern University and the University of Minnesota before accepting a teaching position in theater at Southern Methodist University. Birk later joined the

Oregon Shakespearean Festival where he directed "The Imaginary Invalid" and "A Midsummer Night's Dream."

During his four years with the Festival, Birk also played the title roles in "Hamlet" and "Macbeth," Shylock in "The Merchant of Venice," and Thomas More in "A Man For All Seasons."

Before coming to the SIUE campus last week, the director had just ended a tour of Japan with the American Conservatory Theater.

Performances of the Moss Hart and George S. Kaufman comedy will be presented on the Edwardsville campus in the Communications Building theater Aug. 10, 11 and 12 at 8:15 and Aug. 13 at 2:30 p.m.

Tickets for the production will be SIUE students, free; adults, \$5; senior citizens, \$2.50; and high school seniors and children, \$1. Additional information on tickets and performances may be obtained by telephoning (618) 692-2273.

## Two injured at Nameoki-Pontoon

Two young men were injured in a three-car accident at Nameoki and Pontoon roads last week. Drivers were George Toenys, 17, 20 Edwardsville Road, Daniel Bryan, 21, Wenden, and Vernon Cloninger, 17, of 625 Margaret Ave., Mitchell.

## Test-drives trucks, then steals one

A man who test drove several trucks during the lunch hour last week at Marino's Tri-City Dodge, 1911 Madison Ave., decided not to buy a truck but stole one from the lot.

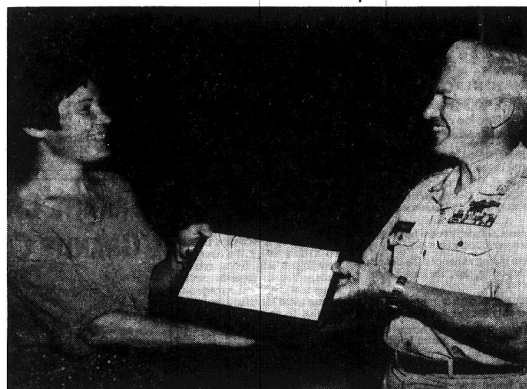

The man, described as being in his late 40s or early 50s, balding, about 5 feet, 1 inch tall, weighing about 115 pounds and having a dark complexion, took a yellow 1978 Dodge four-wheel drive pickup truck which has white spoked wheels and the words "Ram-charger," on the sides.

## Charge dismissed

An allegation of battery against Richard Kamm, 31, of 2121 Edmon Ave., was dismissed in court in Granite City Thursday. Kamm had been charged with striking a 12-year-old boy recently in Kamm's front yard.

## FORGED WITHDRAWAL

A Granite City couple reported at 11 a.m. Tuesday that someone had forged a withdrawal slip and removed the sum of \$1,500 from their savings account at American Heritage Bank. The withdrawal transaction was made July 1, they said.

EXCELLENCE AWARD is presented by Lt. Col. James W. Howard, commander of the Army Area Support Center, to Mrs. Mary Ann Johnson, chief of the Army Education Branch, in behalf of the U.S. Army Education Center at the Granite City Army Installation. The award recognized the training of more than 1,700 persons in pulmonary resuscitation.

## GC Army center earns award

The Department of the Army Community Relations Award of Excellence has been presented to the U.S. Army Education Center, St. Louis Area Support Center (SLASC) at Granite City.

The award was in recognition of the Education Center's highly successful cardiopulmonary resuscitation (CPR) program which has trained more than 1,700 people to give life-sustaining assistance to people suffering heart attack, stroke, or cardiac arrest.

Lieutenant Colonel James W. Howard, SLASC Commander, presented the award to Mrs. Mary Ann Johnson, who accepted it on behalf of the Education Center. Mrs.

Johnson is chief of the Army Education Branch, Military Personnel Services Division. Mrs. Johnson said the center's CPR program initially was set up in December 1976 for training federal employees only, its aim being to train a designated number of the work force from each installation to render first aid in an emergency on a three-minute time span.

After the federal sector training was completed, a canvass was conducted — by personal contact, letters, and through the American Red Cross local chapters — to industrial corporations, department stores, groups, and

associations, offering the service to the community. The program now encompasses the Greater St. Louis area, and the Army instructors will go any place people want them, within a 50-mile radius. Instructors are Specialist 5 Dennis Ketcherside and Staff Sergeant Rudolph Miller.

Mannequin work is the most crucial segment of this CPR 12-hour training course. In their instruction, the men use an adult mannequin and a child mannequin. The center has its own CPR video tape, and films available through the Red Cross are shown.

Mrs. Johnson, who lives at Scott Air Force Base, has been with the St. Louis Area Support Center since 1975.

## Venice schools

(Continued from Page 1)

when July 31 and Aug. 22 that the letters concern.

Venice teachers received honorable dismissal notices in March, a protective gesture used by many school districts in the event specific programs are not refunded.

The Venice District already has been advised its request for \$74,956 to operate the Title VII basic program has been slashed by \$45,000.

The key to rehiring of teachers, however, lies with the \$290,170 request for funds to finance Title VII pilot programs.

No official word concerning the Title VII money has been received, Vickers said.

He noted that a letter, received late last week from Congressman Melvin Price (D-East St. Louis), who is working with school administrators on the refunding problem, stated it could be September before Venice learns whether the funds will be available.

Cong. Price noted there is not adequate money to fund all programs, but that Venice District is third on the list of eligible districts, behind Meridian District in Mounds, Ill., and the Chicago schools.

Chicago District, the congressman advised, is scheduled to receive \$1.4 million in Title VII funds, but has been ordered to show cause in a hearing concerning desegregation policies.

So far, the Chicago District has not indicated whether it will sign a waiver needed before the funds are released.

Cong. Price estimated a total of \$290,650 would be available to the Venice District should all funds not be allocated to the Chicago schools.

Supt. Vickers said in previous years the latest date the Venice District was notified about Title VII refunding was July 19. Notification usually is received in the first part of July, he added.

## Two injured at Nameoki-Pontoon

Cloninger hit his car's windshield with his head and suffered a headache and neck pain. He underwent x-rays at St. Elizabeth Hospital and was released.

Bryan suffered visible injuries, but declined to be taken to the hospital.

## APARTMENT BURGLARY

Thieves entered the apartment of David Garrison, 1926 Edwardsville Road, it was reported at 10:36 a.m. Thursday. A 19-inch television and an AM-FM stereo with turntables valued at \$1,000 were recovered in an alley about 200 feet from the apartment by Madison police.

## Railroads named in GC complaints for letting weeds grow

The Granite City inspection department Friday signed complaints before Judge William Johnson against five railroads which, the complaints contend, have allowed tall weeds and trash to accumulate along railroad rights-of-way throughout the city.

City Inspector Emerald Dawes stated, "The residents of Granite City have an eight-inch maximum weed height law. If we have to live up to it, the railroads do too. The law says railroads have to keep the rights-of-way clean within 500

feet of any intersection and we do not feel they have been doing it."

Dawes contended the city has tried, in various ways, to encourage railroads to cut the weeds and clean up debris on their property.

"We have called them, sent them letters and even taken pictures the last two months. The photos show 19th Street, 20th Street, Nameoki Road, and all of the crossings, and they are a mess," he alleged.

He said the city will go into court, if necessary, to force the railroads to clean up their property and keep the weeds out.

## HOUSE IS DAMAGED

Vandals caused extensive damage at the home of James Stogdill, 2907 Circle Drive, between 8 a.m. and 4:30 p.m. Thursday. A window was opened and garbage was thrown on the floor and a bed. A CB ground wire was pulled from the ground and the electric meter on the outside of the house was broken. A screen was torn from a door and some wood was pulled from the door. Two windows in a travel trailer in the back yard also were broken with bricks.

## Cannabis charge in meter incident

Joel A. Werthe, 20, of 309 Warsaw Lane, Mitchell, was charged with a felony count of possessing marijuana in a felony informational document issued by the Madison County State's Attorney Thursday.

Werthe and his brother, Kenneth C. Werthe, 21, of the same address, were arrested early Thursday after they allegedly bent a parking meter pole off and put the meter and pole in the cab of their pickup truck at 19th and State Streets.

Police stopped the truck a block away and arrested the two brothers, charging each with a misdemeanor count of theft. It was alleged Joel Werthe had about 83 grams of marijuana in a pocket of his trousers and Kenneth Werthe had two bags containing a total of about 24 grams of marijuana in his possession.

A misdemeanor charge of cannabis possession also was filed against Kenneth Werthe, who was released at 8:30 p.m. Thursday on a notice to appear in court at a later date.

Joel Werthe was released at 3:50 p.m. Thursday on a \$15,000 recognizance bond.

## AMSTED has record sales in 9 months

AMSTED Industries has announced that sales and income were at all time highs in the nine months ended June 30. Sales totaled \$68,967,000, up \$115,811,000 from the same period a year ago.

Net income amounted to \$3,787,000 or \$3.52 per share, up from \$2,484,000, or \$2.37 per share. Net income amounted to 7.0 percent of net sales compared to 6.5 percent a year ago.

## Club plans family picnic in August

Plans for a family picnic on Aug. 13 at Highland Park were finalized at a monthly meeting of the Italian-American Club held at the Venice Social Club.

President Nick Petrillo presided at the session and noted members and their families are to meet at the park at 11 a.m.

A report was given on the successful fund-raising project held on the Fourth of July, when members sold homemade sausage at the Wilson Park celebration.

Members also agreed to participate in the Madison Ethnic Festival, where they will again sell homemade sausage on Aug. 25, 26, and 27.

The next meeting will be held on July 9 at the Venice Social Club, according to the president.
